Site and Site Staff

The show site is farmland which is grassed and can be uneven and slippery. Please take care and ensure you wear suitable footwear for this type of surface. Marston Steam and Vintage Show take no responsibility for any injuries caused from trips or falls due to uneven ground.

The campsite and show field are manned 24hrs by Security. In case of emergency, security can be contacted via a number provided in your welcome pack when you arrive to site.

Staff and Security have the right to refuse entry to or expel anyone who behaves in an anti-social manner or damages property.

Pitches

Pitches for Pre-Bookings will be pre-allocated at the time of acceptance of booking.

All pitches will be 8m x 7m. It is your responsibility to ensure that you can fit your vehicle and Unit on the pitch allocated to you. If you decide to bring extras (awnings, pop-up tents, gazebos etc.), then these must also fit within the boundaries of the allocated pitch.

Park caravans as instructed (see diagram). In accordance with Fire and Rescue guidelines, all tents and caravans require at least a 6-metre fire break space and/or aisle space. If you pitch outside the boundaries of your pitch, or your Unit is judged to pose a risk to the safety and comfort of others, you may be asked to move.

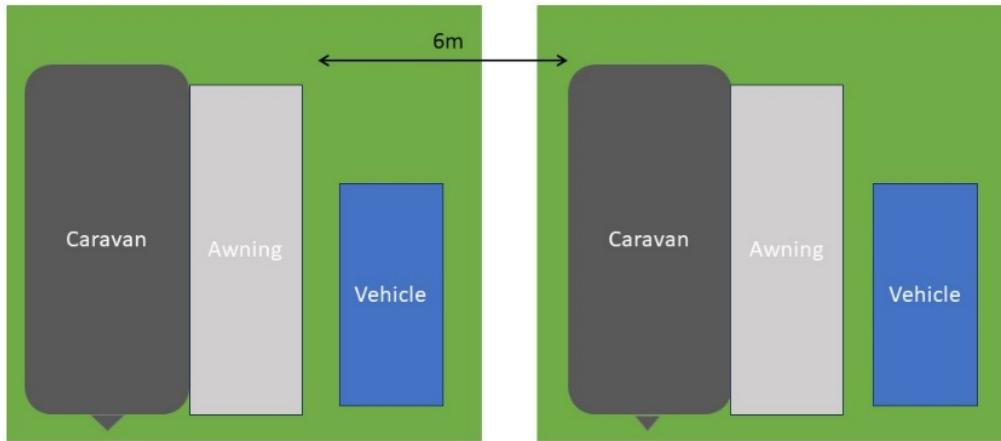

The Rally site is farmland which is grassed and can be uneven, and pitches are unlikely to be totally level. Please ensure you have sufficient blocks / ramps / chocks available to level your unit.

Tents should have their cooking area as close to the centreline of the pitch as possible. There must be a 6m. gap between adjacent accommodation (caravan, motorhome, campervan, tents).

Awnings are allowed. For safety reasons awnings must not face each other. Vehicles may be parked between accommodation but must be within your allocated pitch.

N.B. If a second vehicle is required, because of the total number of adults and children or because of different arrival times of the occupants, this is allowed at no extra cost provided both vehicles can be accommodated within the pitch length.

Please specify both registration numbers on the Booking Form along with the number of adults and children arriving in each vehicle to allow passes to be produced for both vehicles.

Pitch Front
